

CWCI (Christian Women Communicating International Inc) is a worldwide Bible-based faith ministry which began in Australia in 1957 with a small group of women who went away for a weekend of Bible teaching.

- Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching.
- Know Your Bible studies are used regularly throughout Australia. Some studies are also available in other languages and are used throughout the world.
- CWCI Safaris travel into rural and remote areas of Australia with Christ's love and teaching.

“Encouragement”

“Therefore encourage one another and build each other up”

I Thessalonians 5:11

Lesley McGrath Woodley is our **Speaker**. Lesley's life has been characterised by a desire to know Jesus more and to make Him known, wherever the Lord has led her.

This has been while at school, university, teaching Physical

Education in Queensland, theological study then missionary preparation. She spent six years with Scripture Union in Peru as the camps and schools worker. Subsequent experiences include managing a theological bookshop, a foundation member of a team implementing a youth education course at Ridley Theological College, a mission education officer then marrying in 1989.

Lesley has proved many times the sufficiency of God's grace- as a single woman until forty, then through the unique joys and challenges of marriage. She knows what it is to be discouraged and encouraged.

Beverley Morey is our **Leader**.

Adelaide has been her home for most of her life except when her husband and she lived in

Sydney for 5 years. She first heard of CWCI there and attended a Convention. On her return to SA she was delighted to find CWCI was active here and was blessed by attending several Conventions at Victor

Harbor.

Later, with children grown up and retiring from full time teaching, she accepted an invitation to join the Adelaide Committee. She's thankful to the Lord for the friendships and opportunities which were part of it. It was a privilege to serve two terms on the Southern Regional CWCI Board. At present she keeps connected with CWCI through KYB studies and proof reader of new studies being prepared.
