## “Mindfulness”

CWCI (Christian Women Communicating International Inc) is a worldwide Bible-based faith ministry which began in Australia in 1957 with a small group of women who went away for a weekend of Bible teaching.

- Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching.
- Know Your Bible studies are used regularly by women in over 2000 KYB groups in Australia. Studies are also available in more than 43 different languages and are used in over 80 countries around the world.
- CWCI Safaris travel into remote areas of Australia with Christ's love and teaching.

Emily was born in Malaysia where her parents were missionaries. The family moved back to Australia when Emily was seven years old.

Before becoming an Assistant Minister in her local church, Emily taught maths and science. Emily's ministry is now involved with women, children and music.

Emily is married to Mark.

Some of Emily's interests are "hanging with friends", watching movies, playing music and participating in sport. Emily also enjoys spending time with people reading God's word and praying. She is still working on making the perfect cup of coffee.
