CWCI (Christian Women Communicating International) is a worldwide Bible-based faith ministry which began in Australia in 1957 with a small group of women who went away for a weekend of Bible teaching.

- Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching.
- Know Your Bible studies are used regularly throughout Australia. Some studies are also available in other languages and are used throughout the world
- CWCI Safaris travel into rural and remote areas of Australia with Christ's love and teaching.

Our Speaker – Kim Gibson

Kim grew up on a beef cattle farm in southern NSW before training and working as a pharmacist.

She then transitioned into university ministry and, after studying at Moore College in Sydney, took up work with the Australian Fellowship of Evangelical Students (AFES).

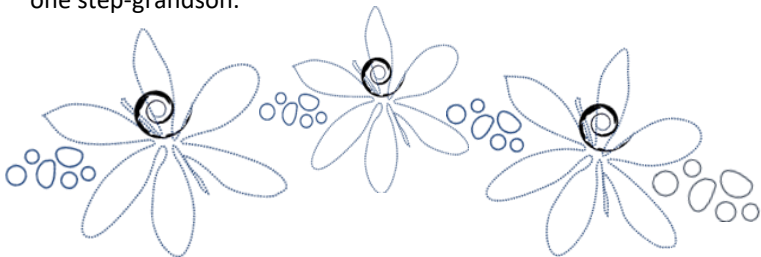

She currently works at the University of Queensland, evangelising and discipling university women - a job she loves!

In 2016 Kim was diagnosed with

ovarian cancer and continues to live with ongoing treatment and health implications.

When not at work you'll find Kim reading, baking, knitting, drinking tea ... and maybe watching a sneaky renovation show or two!

She is married to Richard and has three adult stepchildren, and one step-grandson.
