

*Growing Women in Christ through sharing the Bible*

## “Living Less Stressed”

CWCI (Christian Women Communicating International Inc) is a worldwide Bible-based faith ministry which began in Australia in 1957 with a small group of women who went away for a weekend of Bible teaching.

- Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching.
- Know Your Bible studies are used regularly throughout Australia. Some studies are also available in languages and are used throughout the world.
- CWCI Safaris travel into rural and remote areas of Australia with Christ's love and teaching.

Linda Lawson is a CWCI speaker who has many reasons to be stressed, but she daily experiences the inner peace of knowing God. Linda has been involved in Christian Education in various capacities in local congregations and through CWCI since her teenage years. She is passionate in her concern for women to know God.

Linda lives in Chinchilla and enjoys music, photography, walking and craft work but her real joy is in her relationship with Jesus and sharing the fragrance of the knowledge of Him.

Modern living can be very stressful in so many ways. There are many demands on our time, our energy and our emotion.
