Please pray for this Safari:

- \*For Beth and Wendy to work well together. For their families at home.
  - \*For Steve in his role as Pilot and area “guide”. For his wife Lorraine at home, as she prays and watches. She also welcomes , advises and hosts the team at the Longreach base.
  - \*For safety in the air and on the ground especially with frosty mornings. The By- Air teams are totally dependent on others for transport once on the ground. Pray for all these transitions and volunteer drivers in communities.
  - \*For those who come to be strengthened, that they might find renewed strength in Jesus.
  - \*For no cancellation of any venue or meeting, including health for all the contacts & families.
  - \*That Beth the Speaker, will be able to lighten and refresh attendees hearts with God’s Word.
  - \*That all interactions with billets and helpers be God-inspired and Holy Spirit driven.
  - \* For “KYB Taste and See Studies” to be arranged spontaneously once the team is known, (even if just small groups) as there are gaps in the itinerary that will allow for this.
