## E3 enlightened · enriched · empowered

A conference for women who seek to immerse themselves in Bible teaching that transforms how they live a life of faith.

E3 is a live-in interactive weekend conference. You have time to spend with others and develop relationships.

Our prayer is from Ephesians 1:18-20

*I pray that the eyes of your heart may be enlightened in order that you may know the hope to which he has called you, the riches of his glorious inheritance in his holy people, and his incomparably great power for us who believe. That power is the same as the mighty strength he exerted when he raised Christ from the dead and seated him at his right hand in the heavenly realms.*

**Enlightened:** know the hope to which he has called you

**Enriched:** by the riches of his glorious inheritance

**Empowered:** that power is the same as the mighty strength he exerted when he raised Christ from the dead.

Our speakers are women who have lived a life of faith which they share, bringing the Bible to life.

There are many opportunities to pray in groups, pairs or individually so that we may be strengthened with power through his Spirit in our inner being.

We sing old and new songs with a great band and you can dance while you sing.

## Walking with the Lord in the *light* of his word

This idea of walking with God comes up again and again in the scriptures. Noah walked with God. Moses commanded the people to “walk in all [God’s] ways.” The apostle John commanded Christians to “walk in the light as [God] is in the light.” The apostle Paul wrote “walk by the Spirit” and “keep in step with the Spirit.”

We know we are supposed to walk with God, but what does that look like? Whatever stage of life you might be in, whether you’re single, married, with kids, young or old, things are going well, or you feel you’re walking through a valley, if we trust in Jesus we are called to walk with God throughout our life.

Come and spend some time with us on the E3 weekend, as we delve into God’s word so that we can learn and encourage each other to walk with God in our everyday life.

Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching. Know Your Bible studies are used regularly throughout Australia. Some studies are also available in other languages and are used throughout the world. CWCI Safaris travel into rural and remote areas of Australia with Christ’s love and teaching.

## Speakers

**Chris Quirk** loves to teach the Bible and recognises what a privilege and responsibility that is. She gets excited about drawing people closer to the Lord and encouraging them to walk each day with Him as His faithful servants. As Chris prepares these talks she was challenged by Paul’s call for us to live “a life worthy of the calling we have received.” (Eph 4:1) – a challenge we all face in this complicated and darkened world.

Chris is married to Mick and, as they begin the joys of retirement, they are looking forward to seeing more of Australia, reading books with grandchildren and cups of tea with friends and family.

**Beth Worley** is passionate about understanding God’s word better, and passing on that understanding to others. Understanding the Bible more and more lights our way. We come face-to-face with the great God who has revealed himself to us through his word and his Son Jesus.

Beth and her husband escape the city to go ‘glamping’ (glamorous camping) whenever they can. They enjoy sitting peacefully looking out at God’s creation; they love campfires and star-bright skies.
