She has been involved in KYB and led Bible Studies for many years, but is now mainly involved with her local church encouraging people in their walk with the Lord.

Elsie loves God's Word and has been passionate in sharing what she has learned since becoming a first-generation Christian in her early 40s.

CWCI (Christian Women Communicating International) is a worldwide Bible-based faith ministry which began in Australia in 1957 with a small group of women who went away for a weekend of Bible teaching.

- Local CWCI events held in cities and country areas offer encouragement, inspiration and Bible teaching.
- Know Your Bible studies are used regularly throughout Australia. Some studies are also available in other languages and are used throughout the world.
- CWCI Safaris travel into rural and remote areas of Australia with Christ's love and teaching.
