“Time for a Tune Up”

Christian Women Communicating International (CWCI) is a worldwide Bible-based faith ministry which began in Australia in 1957.

In Australia today:

- Events are held in cities and country areas offering encouragement, inspiration and Bible teaching.
- Safaris travel into rural, remote and regional areas with Christ's love and teaching.
- Know Your Bible (KYB) studies are being used to help women engage more deeply with God's Word.

From her many years of experience as full-time senior pastor, and previously associate and youth pastor, she has learnt many lessons about women in ministry and leadership which she is happy to share.

Vicki is a trainer and firm believer in mentoring. She is also willing to share the story of her Muslim background, personal crises, her conversion from Islam to Christ, and her many years of working in the Middle East. Overall, Vicki has a passion and desire to see women come to know Christ as both their Saviour and Lord and to grow into faithful and fruitful servants of Christ.
