Please Pray for this Safari

Pray for good health and safety in all travel- for good weather and clear roads, road awareness on mountain bends, and no travel sickness.

Praise God for all the open doors for CWCI to His Church, and that His will be accomplished in each place.

Bless the Lord for the light of Jesus that shines in the darkness. Pray John 1: 4,5

Pray for spiritual awareness and strength for the team.

Pray that the Word will go forth with power, many will be touched by Jesus along the way, in and out of meetings, all along the journey.

Pray that God's people wherever they gather will be a great testimony to the gospel by their words and deeds, as they grasp what they hear, and share it with others.
