Prayer:

- Pray for Chris and Rachel – for preparation, team cohesion, wisdom for each meeting. Pray for their households in their absence.
- That God would stir the hearts of the ladies who receive invitations and enable them to attend
- For health and safety for all involved before and during the Safari
- For sensitivity to the needs of the women attending the meetings
- That the Word given will encourage, equip and enable women as they live and serve in their homes, churches and communities
