**Prayer:**

- For Helen & Bea - that the Holy Spirit would help them work together; for those they leave at home
- For health & safety of team members and contacts before and during the Safari
- For adaptability & sensitivity for the team as they enter each new situation
- Thank God for contacts in this region & for God's work in local communities & churches
- That women may be encouraged to persevere in the faith and be equipped to serve the Lord
- That women would grow in Christ through the sharing of God's word in the Bible
