This is our first Safari in Victoria for many years and a first for both Jenny and Judy so please pray for this Safari:

- \*For Jenny and Judy to work well together. For their families at home.
- \*For safety while travelling
- \*For those who come to be strengthened, that they might find renewed strength in Jesus.
- \*For no cancellation of any venue or meeting, including health for all the contacts & families.
- \*That Jenny, the Speaker, will be able to lighten and refresh attendees hearts with God's Word.
- \*That all interactions with billets and helpers be God-inspired and Holy Spirit driven.
