Please pray for this Safari Team.

1. Informal ministry opportunities will abound as the team mingle in communities.
 2. Invitations given out around the communities will be received with joy.
 3. The team members will coordinate and communicate well together.
 4. Protection and safety in all travel and in all transitions.
 5. For the meeting facilitators and Indigenous cultural advisors chosen for the team.
 6. That lives will be transformed as many encounter Jesus, present, through His Word and Spirit.
